Welcome to GETCURED APOTHECARY PRIVATE LIMITED. An Ultimate Brand for Rapid Healing. Getcured Apothecary is an ultimate healthcare provider in India with its main head office located at Kadapa of Andhra Pradesh.

Getcured Apothecary aims to protect the health of patients all over India by establishing Healthcare Centers, Drug Stores, Biochemical Labs, Diagnostic Centers and Medicines Manufacturing Units at various places all over India.

Mission & Vision

Our main aim is to help patients all over India and to ensure their better health. We believe in "Health is Wealth", so we strive hard to protect the health of patients by:

- * Administering Clinics and Multi-Specialty Hospitals in Rural and Urban Areas.

- * Administering Biochemistry Labs and Diagnostic Centers for Investigation of Diseases by Chemical and Physical Means.

- * Providing Easy Availability of Medicines at Affordable and Discounted Prices via Administering our own Wholesale and Retail Drug Stores / Pharmacies.

- * Administering Manufacturing Units of Medicines and Surgical Equipment at various places all over India.

- * Carrying out Medical Camps and Surveys for Health Awareness and Disease Manage-

- * Administering Blood Banks depending on needs and requirement.
