On Checking of the Birth Charts for Both ABC & XYZ we found the compatibility quotient "20.5" points out of maximum 36. Minimum Points allowed are 18.

Horoscope Matching Analysis According to Indian Vedic Style.

Mutual Understandings

The boy will be kind hearted and sincere towards his family affairs. He has a way to give the shape of things. In turn, she will be hard working and laborious lady. She will take keen interest in domestic affairs. The boy will appreciate her concern and at times, guide her practically. A good combination, if all other gunas are matched well.

Dominance

This combination indicates the possibility of an insincere or somewhat hypocritical relationship between two people. The natives can ponder to each other's weaknesses and self-indulgent tendencies. The boy may be as a stubborn person on certain occasions which might initiate the humble girl. She may also find it difficult to adjust herself completely with him. However, if other gunas are matched well, then this alliance may be taken into consideration.

How you act with each other

This combination indicates that in this relationship the girl will turn out to be more mature and sensible to provide the solid base as far as domestic sphere is concerned. In turn, the boy may act indifferently which could widen the gap in their harmonious relationships. The boy is advised to be more methodical in his approach while dealing with the homely problems. As a matter of fact, this is a good combination, but one has to make it best, by putting one's sincere efforts in it.

Mentality

This is not a very good combination as far as mental compatibility is concerned. Some hostilities may develop in this sort of a marriage. She is self-assured and proud of her accomplished wit. He may feel humbled by her and she will hate his anxiety and brooding. Both have the ability to see through other and when they look into one another, they may not find any thing that fascinating. Physically, they may not find each other quite compatible.

Planetary Friendships and Your Communication

The boy's moon sign lord is Mars and the girl comes under Venus lordship. This combination is conducive to emotional and social compatibility. The natives will enjoy each other's company in social activities, romantic relationships, games, sports and travels. They will have compatible tastes with respect to cultural art forms and social beliefs regarding romance and physical mores. The girl can help the boy to be more diplomatic and harmonious in personal actions and self-expression. The boy can help the girl to put her creative and artistic ideas into expression.

Characteristics compatibility (How you are happy to help each other)

A difficult combination, this often results in arguments and heated disagreements. The natives are likely to view each other as a threat to one's status and authority while dealing with each other. The boy may feel that the girl's behavior is too rough and tough at times. He will also feel that she is stubborn up to certain extent. In turn, she may feel that the boy is not practical in his approach and lacks sincerity. However, this alliance may be taken into consideration, if other guans are matched well.

Relationship and Financial Prosperity

This is a good combination for romantic attraction and marriage. The natives tend to be sympathetic towards each other and will be considerate of each other. They will share social, artistic and other refined cultural activities and appreciations. They will share an interest in creating a harmonious, beautiful home and domestic life. The natives are likely to have many friends in common. They will develop a very good rapport and wavelength to understand each other's moods and feelings, which will enable them to respond nicely towards each other.

Health, Mood, and Feeling Compatibility

This is an excellent combination. The natives share many intellectual, spiritual and philosophical interests. They will also improve each other's capacity for hard headed, practical thinking, especially in such areas as science, writing and organizational activities. They will have lot of respect and love for each other. This combination strengthens the over all compatibility of the charts.

Conclusion of Match Making

The Match is almost average. This speaks of only average in almost all respects pertaining to married life. Marriage between the prospective pair is recommended with so many adjustments. There couple may live in harmony and will help in each other's progress in life but as we know that in modern era we have to adjust on many grounds after marriage. So you both are mature enough and can understand each other. It's better to think again for this marital relationship and it is advisable that you both give some time to understand each other.

Your questions:

Question 1: WILL WE GET MARRIED?

Answer: your marital possibilities are very less you can keep this relationship as a good friendship.

Question 2: WILL WE HAVE KIDS?

Answer: In both the charts chances of kids are almost 5%. If you are planning to marry then you can adopt a child. Where as your own child is concerned than it's very difficult.

Question 3: WILL WE BE HAPPY TOGETHER?

Answer: As I have already quoted above that this match is almost average but if you want to marry each other than you have to adjust a lot. And in my opinion the definition of happiness is different from person to person. But as you both are mature enough so you can find your happiness in each other. But I have already mentioned above that please give some time to this relationship to understand each other.
